THE ALDINE, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light and graceful literature; and a collection of pictures, the rareat specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives the Cliffs of Green River, Wyoming Territory. THE ROMANCE OF CURE!

The many evidences of extraordinary cures that are daily reported as effected through DR. RADWAY'S

Physicians and medical taen in all countries pronounce these wonderful remedies a mystery, that neither their science of analysis or chemical skill can explain. True, these medicines effect the most marvelous cures, and restore the dying to life, and relieve the most wretched pain-suffering victim of his tortures, in from one to teenis minutes, and although they know some of the ingredients of their composition, and Dr. Radway has published their formula (withholding only two newly discovered roots, still both French, German, English and American chemists and pharmaceutists atterly fall with the same ingredients as prepared by them. The great success, which these wonderful remedies are constantly achieving, lies in the great secret of combining the ingredients together, after exercising due care in selecting the pure and genuine roots.

the patient recovers his health. They

are the great blood purifier and a life-giving principle, a perfect Reno-vator and Invigorator of the system.

Du. Radway: I have had Ovarian Tumor in the ovaries and bowels. All the doctors said there was no help for it. I tried everything that was recommended, but nothing helped me. I saw your Resolvent and thought I would try it, but had no faith in it, because I had suffered for 12 years. I took six bottles of the Resolvent, one has of Hadway's Fills, and usual two buttles of your kendy Relief, and there is not a sign of a tumor to be seen or felt, and I feel better, smarter and happier than I have for 12 years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose.

AN IMPORTANT LETTER

From a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers through-out the United States. Cincinnati, Ohio, for the past forty years well known to the newspaper publishers throughout the United States:

DR. RADWAY—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicine on myself. For several years I have been afflicted with some trouble in the bladder and urinary organs, which some months ago culminated in a most terribly afflicting disease, which the physicians all said was spasmodic stricture in the uretha, as also inflamation of the kidneys and bladder, and gave it as their opinion that my age—73 years would preven my ever getting radically cured. I had trade a number of physicians, and had taken a large quantity of medicine, both allopathic and homeopathic, but got no relief. I had trade a number of physicians, and had taken a large quantity of medicine, both allopathic and homeopathic, but got no relief. I had read of astonishing curres having been made by your remedies; and some four neonths ago I read a notice in the Philadelphia saturday Evening Post of a cure laving been effected on a person who had long been suffering as I had been I went right off and got some of each—your sarsaparillian Resolvent, Ready Relief, and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.
